Overview

Nicholas is a junior lawyer who has joined Nexus as a part of the construction and infrastructure team.

Before coming on-board with Nexus, Nicholas has worked with matters successfully obtaining compensation for clients that had sustained personal injuries in work place incidents, motor vehicle accidents and public places.

Nicholas completed a degree of Commerce and Economics during his university career and in having experience in small business operations, Nicholas brings a pragmatic perspective to client's issues to provide solutions that are not only focused of the legal aspect but also consider the commercial and strategic factors relevant to the client.

Nicholas takes a dynamic approach to provide a comprehensive service to clients with a focus on maintaining client relationships, he will achieve desirable outcomes for clients with dedication and drive.
